Summary Judgment

July 26, 2007

Douglas Nelson

Pleasant Hill, CA 94523

Re: Douglas Nelson  
Claim Number: 02-397-500-0  
DOL: 12/18/06

Dear Mr. Nelson:

As you are aware, I was retained by your insurer, California State Automobile Association, Inter-Insurance Bureau, (hereinafter "CSAA-IIB") to assist in the resolution of the above-mentioned claim under your policy of insurance with CSSA-IIB. I am writing to advise you of CSAA-IIBs' determination of your claim.

Nelson vs Laro River #1143 For \$10 million - Fire Bombing of \$2500  
For the following reasons CSAA-IIB has declined your claim in its entirety. Judge - UPON SERVICE  
City of San Leandro # (925) in CSC 06 1272

As you are aware we required additional information to respond to your claim. Initially CSAA-IIB wrote to you to request that you provide a recorded statement. You failed to cooperate with this request.

You were then notified that we required your examination under oath (EUO). We notified you by letter that your EUO had been scheduled for June 1, 2007. In that correspondence you were notified that your failure to cooperate in your EUO would be grounds for denial of your entire claim. You were asked to call the undersigned to confirm your appearance at the EUO. You failed to confirm your appearance at the EUO and all attempts to contact you by telephone at the telephone number that you had previously provided to CSAA-IIB were unsuccessful. The June 1, 2007 EUO was cancelled.

We rescheduled your EUO for June 12<sup>th</sup>, 2007 and notified you of this date by certified letter. The EUO went forth as scheduled on June 12<sup>th</sup>, 2007 but you failed to appear. The certified letter was subsequently returned.

The policy of insurance under which you made your claim states in SECTION I - CONDITIONS 2. Your Duties After Loss section "d. (3)" that a Claimant is required to
